Water Street Fire QUICKLY SUPPRESSED

No Chances Taken in Attacking Small Blaze.

Fire that was caused by an overheated range did about \$300 damage to the interior of the second floor of the five-story brick building at No. 14 North Water street last night. The restaurant on the first floor was damaged by water, but perhaps \$100 will cover the loss there. Smoke was seen issuing from the upper windows by Thomas Marling, who stood at Main and South Water streets. The young man watched it for a moment to make sure, and then, hearing someone cry fire he rushed in an alarm box, No. 12. All the fire chiefs and downtown apparatus responded to the alarm. Chief Little sent two streams into the second floor and one in the third. The water quickly suppressed the blaze, which had spread over the entire rear of the second floor room. The upper floors are not occupied just now. The Security Check Company occupied the third at one time. The Russell restaurant has the lower floor.

In responding to the alarm Battalion Chief Lynch met with an accident. One of the shafts of his wagon broke in Brown street, and he fell all but stamped. Lynch leaped from the engine and caught the horse, preventing it from running away. Then he got into a taxicab at Main street and hurried on to the fire.

CHOIR TO SING CANTATAS

Impressive Services Will Mark Last Days of Holy Week.

Singer's "The Crucifixion" will be sung tonight at the chapel of the Third Presbyterian Church. Persons are requested to be in their seats before 8 o'clock in the evening. The service is to begin at 8 o'clock and the lights will be lowered during the singing. The cantata will be followed by an address by Mr. Strayer on "Is It Nothing to You?"

To-morrow a three-hour service of meditation on "The Seven Words from the Cross" will take place from 3 to 6 P. M. A memorial address will be given by the group in the east gallery will be served on Easter Sunday. The rally service (if held in Sunday-school) will be a three-hour service for the chapel, open to the doors.

The choir of St. Andrew's Episcopal Church will sing Schuler's "The Crucifixion" tonight at 8 o'clock as a preparation for the service to be held to-morrow, Good Friday, from 12 to 2 o'clock in the afternoon. The solo parts in "The Crucifixion" will be sung by W. H. Chamberlin, W. A. Rye, R. C. Robinson, David Holt and James Harkness.

At the three-hour service to-morrow the subject will be "The Five That Crucified the Lord." These five, typified in various dwellers in Jerusalem, will be considered in separate meditations. A choir of girls will lead the singing of the psalm hymns. There will be singing and candle processions between the meditations.

To-morrow night at 8 o'clock at Christ Church "Olivet to Calvary," by Munroe, will be sung under the direction of W. H. Carter.

To-morrow night at 8 o'clock the large chorus choir of St. Luke's Episcopal Church will sing, under the direction of Professor Heinrich Jacobson Angelo Reed's "It Is Finished." This is a musical setting of the "Seven Last Words" spoken from the Cross and has been given with much success in many places.

Those who are employed tomorrow and have difficulty in returning from their homes in time for evening service, supper will be served in the parish house.

Money William D. Walker, D. D., will be at the Church of the Ascension to-night at 8 o'clock to administer confirmation and to preach.

COURT NEWS IN BRIEF.

Appellate Division calendar for Thursday: Nos. 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

A writ of habeas corpus was granted to John H. Wright against his husband, Alfred G. Wright, last Thursday and was entered in the Monroe County Court's docket.

Supreme Court, Trial Term, calendar for Thursday, Justice George A. Beeson presiding: Tuesday, Nos. 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200.

The suit of Arthur J. and Bertha Boring to collect \$200 and a one-half interest policy from the Boston Insurance Company was given to the jury yesterday afternoon, and a verdict will probably be handed up to Justice Beeson this morning.

Jackson's Temperance Hotel, 212 Main street east. Rooms 50c, 75c, and \$1. Meals 25c and 35c, also a la carte all day.

90 SEEK JOB OF GENERAL CLERK

Put to Test by Civil Service Commission.

ADDING TEST IS A FEATURE

Speed and Accuracy Factors in Marking—Questions on Municipal Affairs Posed for Some. Fourteen Women on the List

Ninety applicants, fourteen of them young women, for a position as general clerk in the employ of the city took an examination before the Municipal Civil Service Commission at the Rochester Business Institute last night. An eligible list of those who were for the position of clerk, stating the appointments are to be made in the several municipal departments.

To begin with, the applicants were given an adding test. Forty of the applicants remained into seven figures, were handed out. These had to be copied and added. On the result 12 points were given for speed, 24 for accuracy and 4 for neatness. The first one to hand in the paper was marked perfect on speed, after which half a point a minute was taken off. Two men came in together and received a perfect mark. After twenty-four minutes were up several had not yet handed in their papers and these will lose twelve points for speed, though they may make it up largely in accuracy.

The applicants each had to write a letter to the Commissioner of Public Works, applying for the position of clerk, stating their experience and qualifications. Then followed several papers on municipal matters, such as making out tax bills, figuring tax rates, costs of improvements. Here are some samples of the questions.

(a) What is the cost of improving a street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(b) What will be the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(c) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(d) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(e) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(f) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(g) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(h) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(i) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(j) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(k) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(l) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(m) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(n) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(o) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(p) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(q) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(r) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(s) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(t) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(u) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(v) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(w) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(x) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(y) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

(z) What is the cost of the improvement to the taxpayer on the street, the street 1-1/2 miles long, width of roadway 60 feet, sidewalks 10 feet, gutters 10 feet, and a center line 10 feet, at \$1.50 per square yard, grading on both sides of the street at \$1.00 per foot?

N. P. POND, Secretary and Treasurer. Subscribed and sworn to before me this 19th day of March, 1910. Wm. H. Cook, Notary Public.

END COMES SUDDENLY TO FREDERICK K. WARD

Young Man, Ill for Some Time, Takes His Life.

FREDERICK K. WARD.

Friends of Frederick Kemp Ward were shocked yesterday when they learned that he had died suddenly at 3 o'clock in the afternoon at his home, No. 351 Cultus street.

He was 35 years of age. He had been ill for some time.

Mr. Ward was probably as well known for his expert tennis playing as for his business connections. Indeed, his experience at this game was known outside this city, for he was champion player of Western New York, and it was believed that he had devoted more time to practice he would have gained a national reputation.

Frederick Ward was the son of Mr. and Mrs. Levi F. Ward, and was born November 20, 1877. He received his education in the schools of the city and at the University of Rochester, where he spent one year. He was a member of the Psi Upsilon fraternity. Until a year ago he was assistant secretary of the Rochester Trust and Safe Deposit Company. For the last year he had been associated with Charles H. Stearns, representing A. J. Wright & Company, of Buffalo, brokers.

Mr. Ward's circle of acquaintance was usually large for a man of his years, and he was interested in both social and athletic affairs. He was instrumental in organizing the Rochester Tennis Club, and his success in it was largely due to his efforts. Mr. Ward was also a member of the Genesee Valley Club and the Rochester Country Club.

Mr. Ward leaves his mother, Mrs. Levi F. Ward, two children, Frederick Kemp Ward, Jr., aged 5 years, and Caroline Alice Ward, aged 3; a sister, Mrs. Francis H. Macomber, and a brother, Levi F. Ward. His wife, who was Miss Harriette Thomas, died less than a year ago.

NO ADVANCE LIKELY IN PRICE OF MILK

Retailers Are Making Contracts at Old Rate.

Apparently the year-round rate of 4 cents a quart that was fixed by the Western New York Milk Producers' Association at a meeting in Rochester last week is not to be advanced. Or maybe there are so many owners of cows outside the association that the rate, even if all the members charge it, will not affect the price of milk in Rochester.

It was said last night by members of the Rochester Milk Exchange, after a meeting of that body, that local retailers had made contracts that will bring 15,000 quarts of milk into Rochester every day for a year, and that the producers of the 15,000 quarts will be paid at the old rate, namely 3 1/2 cents a quart during the summer half of the year and 4 cents a quart during the winter half of the year.

"We'll be able to get all the milk the city wants at the old rate," said a member of the exchange. "Our members are making contracts with producers every day."

The meeting last night was well attended, and all the retailers appeared to be fully satisfied with the situation.

FORMER ROCHESTER MAN DROWNED

Relatives of Ed. J. Hewitt, Iron Molder, Being Sought.

Deputy City Clerk Richard Curran yesterday received a letter from John H. Curran, financial secretary of International Molders' Union, No. 125 Milwaukee, saying that the body of Ed. J. Hewitt, formerly of Rochester, had been found in Lake Michigan, near South Haven, Mason county, Mich., on March 21. It was thought that Hewitt had a sister living somewhere in "lower South America," but her name was not known.

Mr. Curran, who is corresponding secretary of the Rochester local No. 11, Iron Molders' Union, was asked to send relatives of Hewitt, if possible.

Interior Decorating.

We carry the largest stock of wall paper to be seen anywhere in Western New York, showing the very latest of fashions in all grades of foreign and domestic manufacture. We also have a complete line of interior painting and decorating—framing, stenciling, wall paper, etc., on short notice and with guaranteed satisfaction. We employ the best workmen in the trade and will be pleased to give estimates on any class of decorative work. When you choose in all grades and colors made to order. A full line of shades always in stock. George Weldon & Co., 115 Main street east.

The Democrat and Chronicle Job Printing Department has up-to-date facilities and up-to-date ideas.
